

President's Report July 2020 – June 2021

Greg Bugden

It can be said that the 2021 year has been a year of hibernation for SEBA with the Covid-19 pandemic causing many restrictions on organisations such as ours. Like most others in the Charity space our ability to arrange gatherings and fund-raising events has been very much restricted due to Government and Health mandates. We look forward to a more open environment in the near future where we can continue to support communities, medical research organisations, small charities and the needy in the 2021/22 year. Thankfully there has been some activity in this area which will form part of next year's report.

EVENTS 2020/21

Unfortunately, SEBA was not able to hold any fundraising events throughout the year. It was impossible to host any functions or to seek corporate sponsorship to raise funds.

ANNUAL GENERAL MEETING

SEBA held the AGM on 1st December 2020 for the year 2019/2020. The meeting was held at the Marigold Restaurant. The Minutes of the Meeting accompany the papers for this year's Annual General Meeting.

The meeting elected the following members to the Board :

Greg Bugden – President
Luci Ozcan – Vice President and Fundraising Chair
Milan Grzic – Director and Public Officer
Vincent D'Cruz – Secretary and Membership Director
Craig Jones – Director and Treasurer
Lesley Bell – Director and Raffle Co-ordinator
Margaret Wong - Director

INDIVIDUAL FUNDRAISING EFFORTS

I am pleased to report that two of our Directors, Luci Ozcan and Margaret Wong undertook some individual fundraising efforts.

This resulted in generating funds amounting to \$3,000. A special thank you for your persistence and help.

THANK YOU

The 2020/21 year has presented a difficult environment for SEBA to fully realise its objectives of fundraising and providing a platform for members to meet and provide services to our charity support groups.

As President I am blessed to have had the support of a small group of like-minded individuals who share the SEBA passion, and we look forward to achieving more in the forthcoming year.

In closing, I would like to once again thank my Board of Directors and members for your support.

Here's to a successful year ahead. May you, your family and friends all enjoy the upcoming festive season and travel safely particularly in this more open travel environment.

Kind regards,

Greg Bugden - President
